To Whom It May Concern,

I am the manager of The Bunkhouse Inn in Augusta, MT. I would like to offer my support to Amy Mills, and the Mills Wilderness Outfitters. Without their business and support, The Bunkhouse Inn would not be a successful business. About 50% of our guests are Mills customers. Also working at a local restaurant/ bar I notice that a large majority of the customers there are from the Mills. When they are busy and have a successful year, it helps the entire community have a successful year. I am in full support of SB 380, and ask that it would be looked at as a way to make not one business but an entire community much more successful through out the year. Thank you for your consideration.

Sincerely,

Anna A. Gallaher
